

WOMEN URGED TO JOIN A POLITICAL PARTY AT ONCE

In That Way Their Influence Will Be Most Strongly Felt

[Special to The West Virginian] FAIRMONT, W. Va., Sept. 8.—Mrs. Ellis A. Yost of Morgantown, associate chairman of the Republican State Committee, believes that the women of West Virginia should actively affiliate with the various political parties.

Mrs. Yost believes that the influence of women with political parties will be greater as members of these organizations and express the opinion that their party affiliation should be prompt and active.

In a statement which she gave to the press today Mrs. Yost declared that the affiliation and party participation with the Republican party in the present campaign was "a patriotic duty" she said.

"I deem it most important and urgent that the women of West Virginia affiliate with the political parties of their choice," said Mrs. Yost. "As our Government is builded it can only properly function through political parties unless changed in its fundamental basis. This being true, women, I am convinced, can best use the newly won privilege of the franchise through affiliation with party organizations. Her influence with the parties will certainly be greater if she speaks as one who 'belongs' and one who is a member. The independence of political action that is so wholesomely necessary to our political well being would not be hampered by party affiliation."

"For ten years I have been engaged in work which was earnestly supported by members of all political parties and when I decided to actively affiliate with a political party it was with a knowledge that it would be difficult for many of my friends with whom I had so long worked to understand my position."

"But the vital issues at stake, an intimate knowledge of the conditions that brought about the nomination of the candidates of the two major parties and incidents connected with those nominations as well as records and public utterances during the past two years which indicate their policy, if elected, together with my intense interest in the politics of my own state made an active and prompt participation with the Republican party in the present campaign, a patriotic duty."

"I believe my course is as clear as my conviction is deep."

WIDOW CRIES FOR JOY

"I couldn't eat anything but raw eggs and sweet milk and was so weak I could hardly walk across the room. I would have been in my grave today if I hadn't taken May's Wonderful Remedy when I did. When I think how I have suffered with my stomach and how good I feel now I cry joy." It is a simple, harmless preparation that removes the catarrhal mucus from the intestinal tract and allays the inflammation which causes practically all stomach, liver and intestinal ailments, including appendicitis. One dose will convince or money refunded.

Murver, what makes you so cross?

Poor mother, has backache, dizzy spells, headache and is nervous, which are all symptoms of woman's trouble.

Most women neglect their health, and for this neglect they pay the penalty. Any woman who suffers thus will find that she loses flesh faster than Nature can put it on. She will find that neglect does not pay. A little more attention to health would brighten up her life and make her worries fewer. If she asks her neighbors she finds that Dr. Pierce's Favorite Prescription benefits a woman's whole system. It not only acts upon the troubles and weaknesses peculiar to women, but is an all-around vegetable tonic that braces the entire body, relieving nervousness, sleeplessness, headaches, dizziness and a run-down condition.

Dr. Pierce put his Favorite Prescription in the drug stores in 1870. For fifty years it has stood the test, and thousands upon thousands of women all over the United States can testify that this non-alcoholic tonic made them healthy and well. Send 10 cents to Dr. Pierce's Invalids' Hotel, Buffalo, N. Y. for trial package of Favorite Prescription tablets.

MR. MARTIN SAYS NERVILAX ASSISTS DIGESTIVE ORGANS

Stomach and Kidneys Are Greatly Relieved After Taking Nervilax

"After having suffered for several years from stomach, liver, kidney and bowel trouble, I am pleased to say my friends are congratulating me on my fine appearance," writes T. P. Martin, of Charleston, W. Va. "The big change is due to Nervilax which I started to take a few weeks ago. Previous to that time I looked like a dead man and fully expected to be in my grave in a few weeks. My general physical condition was terrible and living was a misery. I was constipated, gas on my stomach, was so nervous I could not sleep at night, and everything I ate disagreed with me. I finally purchased a bottle of Nervilax and after taking a few doses I noted a great improvement in my condition. I sleep well now and feel fine in the morning. My constipation is rapidly disappearing and I can eat my meals with relish. I think Nervilax will cure me and gladly recommend it to my friends."

The Ford Sedan (with electric self-starter), for every day in the year has no equal as a family car. Just as popular on the farm as it is in the city. In fact, it fits the family demands in every vocation of life. Large, roomy seats, finely upholstered, plate glass windows, make it an open car in pleasant weather, while in rainy and inclement weather, it becomes a closed car, dust proof and rainproof. It is not only comfortable, but really cozy, and above all, economical in operation and maintenance, and has all the Ford merits of strength and durability.

HEL-LO-o-o-o PETE:

In two more shakes of a lamb's tail I'd have been between the sheets—but I got taken with another large idea for Camel Cigarette ads that's so bright you can phone 'em to cut the current because you just had your lamps lit!

Tell you, it's a whale of a stunt! Everybody right quiet—and hats off! NOW—far as I know or ever heard, there never has been one of those zippy slogans under that big display name "Camel". I'VE GOT ONE—get me? Put both your ears close to the ground and get the rumble of a broadside like this:

Camel

Once it meant an animal—now a Cigarette!

Wow, Pete! I'll testify that's a stoneless peach! Spread it like I've dented it in here—and you've uncorked an eyeful! Suppose you'll want to call me old Mr. Hammer because I hit the nail on the head!

And, bet real money that if this slogan stuff keeps me awake the rest of the night, I'll wire and offer it to R. J. Reynolds Tobacco Co. before you hit the deck! And I'll be spending some of the proceeds for noon eats! In the "lang-wage" of Jigger Jones of Joplin, "you tell 'em old yacht, you've got the sales spirit!"

Blowing out of St. Louis at 10.12 tomorrow with a bundle of business. Off for Ohio. Got something on me mind!

Till I get it off—

Shorty.

Ex-TRY! Ex-TRY! Just got a wire, I sold 'em that slogan! Pete, eat on me! S.
